

DEMENTIA PENDANT TIMELINE

Project about creating a pendant/app for people with dementia and their guardians.

WEEK 1

RESEARCH + CODING GPS

Researched on what is needed to make the project and how to code it.

WEEK 2

CODING AI CHAT

Started coding the AI voice chat.

WEEK 3

DESIGN

Started designing the app for the guardians on Adobe XD

WEEK 4

REVISIONS

Did revisions on the code, google doc, and app design.
